**Fun Games & Activities** Each day we have fun games and activities for the kids to participate in. Games and activities include corn hole, garden club, water balloons and more.

**Swim Lessons** Kids are divided into small groups based on swimming ability. Our objective for each child is to gain confidence in the water and to progress at their own rate.

**Arts & Crafts** Taking a break from all the activity, kids use their imagination to create new art projects each day on our shaded deck with helpful counselors.
